

Grapefruit Martinis

INGREDIENTS:

- 3 oz of your favorite gin or vodka
- 1.5 oz of dry vermouth
- 1/2 teaspoon *D'Olivo Grapefruit White Balsamic*, or more to taste
- Ice

DIRECTIONS:

Prepare two martini glasses by filling them with ice and water, or chill the glasses ahead of time in the freezer. Set aside.

Place all ingredients in a cocktail shaker full of ice. If you don't have a cocktail shaker, a mason jar with a lid makes a fine substitute. Secure the lid and shake until the outside of the shaker becomes frosty.

Pour ice and water out of martini glasses. Strain cocktails into chilled glasses, and enjoy with a friend!
