

Pomegranate Balsamic Marinade

INGREDIENTS:

- 1/3 cup D'Olivo Pomegranate Dark Balsamic Vinegar
- 1/4 cup D'Olivo Garlic Infused Olive Oil
- 1 Tbs. good quality Dijon style mustard
- 2 teaspoons kosher or sea salt

DIRECTIONS:

In a medium bowl, whisk the mustard with the salt and D'Olivo Pomegranate Balsamic until blended thoroughly. Slowly drizzle in the D'Olivo Garlic Olive Oil, whisking quickly and continuously. The marinade should become thick and emulsified.

In a seal-able container or large zip lock bag, place your meat (pork, steak or even tofu) and thoroughly coat with the marinade. Refrigerate and marinate for 4-6 hours, turning the meat at least once during the process.

Bake/Broil/Grill your choice of meat or tofu and serve.
